

Blondie, Hardest Part

Twenty five tons of hardened steel, rolls on no ordinary wheel
Inside the armored car, ride two big armed guards
In a bulletproof vest, shatterproof glass, overdrive we're gonna pass
Twenty five tons of hardened steel, rolls on no ordinary wheel
The hardest part of the armored guard
Big man of steel behind the steering wheel
Nitro and acetylene open la machine
No short heist no overnight big money
Take ya to Brazil
Bulletproof vest, shatterproof glass, overdrive we're gonna pass
Time bomb, greasy mob, count down ,hurry up, come on
The hardest part of the armored guard

Big man of steel behind the steering wheel
In a wire mesh cage with a twelve gauge
Radio - we're coming fast
Ooh need to feel some hardened steel
Deliver the big money deal
Of the armored guard here's what I heard
I'll tell you that he will no matter what you feel
The hardest part of the armored guard
Big man of steel behind the steering wheel
Twenty five tons of hardened steel deliver the big money deal
