

# Blondie, Rush Rush

He's on the level  
If he's inclined  
A son of a devil  
He want's mine and more  
Oh, he's a high, high climber  
Not just a clinging vine  
He made the grade  
He made his marks-a-senior  
Guess who's keeping score  
Rush, rush to me Yayo  
Buzz, buzz, give me Yayo  
Rush, rush gotta Yayo  
No, no, no, no Yayo  
He's real speed demon  
He's one of a kind  
What and wait winking over his shoulder  
He's running out of time  
Rush, rush to me Yayo  
Buzz, buzz give me Yayo  
Yoyo no, no Yayo  
Go, go, no, no Yayo  
Rush, rush to me Yayo  
Never, never take a chance before  
But now he's in a hurry  
Better, better make your mind up boy  
He's faster  
Rush, rush give me Yayo  
Buzz, buzz, buzz give me Yayo  
Oh, oh  
No, no, give me Yoyo

Yoyo, come on Yayo  
Rush, rush give me Yayo  
Buzz, buzz, buzz give me Yayo
