

# Blood Duster, Anal Feast

Anal penetration  
Shincter muscle split  
Tender shredded rectum  
Makes it hard to sit  
The tissue from your buttocks  
Ripped from the bone  
Shit oozes from the cavity  
As a sloppy rectal moan

Horrid black shit  
Spews from the pit  
Starts to convulse  
Bogus anal fit  
It rips the flesh  
A vile anal death  
This putrid rotten stench  
Or horrid rectal breath
