

Blood Duster, Nasty Chicks

Got you in my sight
I'm a mean bitch
Yeah that's right
Smash the shit
Out of you prick
And I'll make sure you die - yeah!

Yeah - grrr - yeah - ohh yeah - yeah -
yeah - yeah, ha ho
Smash you up real good
Oh yeah I said I would
I'll load my gun
And shoot your face
And spread you bits
Around the place
