

# Blood Duster, Simultaneous Pleasure Pinch

Up the date  
And up the cunt  
With my fingers  
I will hunt  
Score you holes  
Touch the sides  
And grip the skin  
That divides

The thumb in the ring  
Middle finger  
Up your cunt  
Pinch it like a crab  
Make the bitch feel the itch

Feel the pain  
Will you cope  
Nip the skin  
From cunt and ring  
This is not  
An evil thing

Ease away  
Out of the cracks  
Like your fingers  
Here comes some snacks
