

Blood For Blood, No Tomorrow

Alright let's go

YEAH!!!

Tonight!

Here we go!!!

Blood for blood

Here we go!!!

Blood for blood

Tonight!

Alright, here we are, back again and nothing's changed except maybe for the worse.
And I gotta ask ya, ever took a look around at the sick world we live in and wondered, why?
And you got no answer, so maybe you ask your girl, your boy or your friend or something.
And they ain't got no answers.

So you figure.

I guess we're all just fucked.

HERE WE GO!!!

The world is going to hell tonight, but tonight I'm feeling alright. So let's fucking go.
