

# Blood For Blood, Tear Out My Eyes

My mask of sanity is slipping away  
and I don't know if I can last much longer. help me  
Human faces grow so twisted and farther away,  
thought I could take it but the hate grows stronger. help me  
Oh God help me 'cause I don't want to see  
another image of that beast humanity. save me  
Oh God save me, this hatred is killing me.  
No one can save me 'cause I once was blind but now I see the way...

One day I'm gonna rip my eyes out of my head  
And never gaze upon your twisted world again.  
I'm gonna tear out my eyes  
And maybe find some peace of mind inside.

My mask of sanity has broken away and I don't want to last much longer.
