Blood on the dance floor, Bitches Get Stitches

stop the hate, congradulate
you know my name so eat some cake
party hardy grab baccardi
talk your shit watch you get hit
save the drama for your mama
whatsup with awful gossip
dont be mad cuz my hair is so rad
life is good up in my hood
(chorus)
bitches get stitches, they end up in ditches, so get the riches
bitches get stitches end up in ditches, get the riches
(x2)
check yourself before u wreck urself
omg blah blah blah
i'm rated x for explicit sex
