

# Blood on the dance floor, Death To Your Heart

Uh-Uh-Uh-Uh-Uh-Uh  
Uh-Uh-Uh-Uh-Uh  
Uh-Uh-Uh-Uh-Uh-Uh  
Uh-Uh-Uh-Uh-Uh  
I've got this gun, to your head  
I've got blood, on these hands  
I'll be your eternal, never ending  
I'll be the end of your beginning  
I'm the battle to your every war  
I'm the first rip, of everything torn  
I've got no room in this heart  
Gonna tear you apart  
Death to your heart  
And I'll rip it apart  
You've come undone  
You're the weakest one  
Death to your heart  
and I'll rip it apart (Rip it apart)  
You've come undone  
You're the weakest  
The weakest one  
Infected with deception  
Destruction is my, obsession  
I'll feed off your sweet suffering  
Your confession, is my sweet crime  
You've fed me up with your lies  
Thought I knew you deep inside  
So when I take this razor to your neck  
I'll cut out all your fucking regrets  
I've got no room in this heart  
Gonna tear you apart  
Death to your heart  
And I'll rip it apart  
You've come undone  
You're the weakest one  
Death to your heart  
and I'll rip it apart (Rip it apart)  
You've come undone  
You're the weakest  
The weakest one  
Tear apart what is left  
Your blood is what I taste  
Here I am in the flesh  
Meet your killer in the face  
Ha Ha Ha, He He He  
What a pretty little sight  
Now you're gone, it's too late  
We will never be the same  
Uh-Uh-Uh-Uh-Uh-Uh  
Uh-Uh-Uh-Uh-Uh  
Uh-Uh-Uh-Uh-Uh-Uh (Rip it apart)  
Uh-Uh-Uh-Uh-Uh  
Uh-Uh-Uh-Uh-Uh-Uh  
Uh-Uh-Uh-Uh-Uh  
Uh-Uh-Uh-Uh-Uh-Uh (The weakest one)  
Uh-Uh-Uh-Uh-Uh  
Death to your little precious heart  
This is the scene where you depart  
No one will hear your final words  
I'm a life taker, I'm a heart breaker  
Death to your heart  
And I'll rip it apart  
You've come undone  
You're the weakest one

Death to your heart  
and I'll rip it apart (Rip it apart)  
You've come undone  
You're the weakest  
The weakest one
