

Blood on the dance floor, Suicide Club

Welcom to the

Suicide Club...

On and on and on and on we
can't do on, we can't do on
like this.

Love is a drug. li the
Suicide Club, rough and it's
rough and it's tough but I
never get enough.

Well dying is the latest
fashion well dying is the
main attraction.

As we grow stronger. My voice
gets louder. Your shit gets
weaker. As i stomp you with
my sneakers.

I'm already dead inside. Let
my words eat you Alive.

On and on and on and on we
can't do on, we can't do on
like this.

On and on and on and on we
can't do on, we can't do on
like this.

On and on and on and on we
can't do on, we can't do on
like this.

On and on and on and on we
can't do on, we can't do on
like this.

On and on and on and on we
can't do on, we can't do on
like this.

Tease you breathe. Get you
down on your knees. Reverse
this curse. You naughty nurse.
W-T-F it spells your death.

Kay thanks Bye i hope you die.

As we grow stronger. My voice
gets louder. Your shit gets
weaker. As i stomp you with
my sneakers.

I'm already dead inside. Let
my words eat you Alive.

On and on and on and on we
can't do on, we can't do on
like this.

On and on and on and on we
can't do on, we can't do on
like this.

On and on and on and on we
can't do on, we can't do on
like this.

On and on and on and on we
can't do on, we can't do on
like this

Harder! Harder! Harder! On my
bed Harder! Harder! Harder! I
can't forget.

Harder! Harder! Harder! On my
bed Harder! Harder! Harder!

JUST DROP DEAD !

On and on and on and on we
can't do on, we can't do on

like this.
On and on and on and on we
can't do on, we can't do on
like this.
On and on and on and on we
can't do on, we can't do on
like this.
On and on and on and on we
can't do on, we can't do on
like this
JUST DROP DEAD !
