## Blood Red Shoes, Can't find door

I've been saving my money Yeah it does no good I've been wasting my money Yeah it does no good Lookin for a way out Lookin for a way out I've been waitin for something You said that yooou But it never ever comes You said that yooou I've been waiting for someone You said that yooou But they never ever come Step Back I've been saving my money You said that yooou Yeah it does no good You said that you I've been wasting my money You said that yoou Yeah it does no good You said that yoou Lookin for a way out Lookin for a way out Step Back Step Back Step Back Step Back Step Back Step Back
