

Blood Red Shoes, Forgive Nothing

Is it just a passing phase?
Do your methods change each day
False are stating your reason claim
No one's listening, what a shame

Oh, so, never mind
Oh, so, never mind
Oh, so, never mind
Oh, so, never mind

The big intention's fallen flat
So try to break your way out of that
Create an image so contrived
Nothing at your sadomize

Oh, so, never mind
Oh, so, never mind
Oh, so, never mind
Oh, so, never mind

Never mind (x 16)

Is it just a passing phase?
Do your methods change each day
Forgiving nothing is being kind
You turn your back and you left us bind

Oh, so, never mind
Oh, so, never mind
Oh, so, never mind
Oh, so, never mind
