

Blood Red Shoes, How To Pass The Time

Make it to the club where
Clawing across the dancefloor
She can't avoid the pull
Got to make your way through another night out
Got it inside out
Got it inside out
Got it inside out
Inside out
You make it to your bedroom
Where you'd move in for the kill
And through this wearing hole you
Gotta make it through the night somehow
Got it inside out
Got it inside out
Got it inside out
Inside out
Call this hedonism
But its just to pass the time
So you wake up wearing the same clothes
You haven't resolved the itchin' inside
You got it inside out
Got it inside out
Got it inside out
Inside out
Woo!
Oh-oh-oh
Oh-oh-oh
Oh-oh-oh
Oh-oh-oh
Oh-oh-oh
Oh-oh-oh
Oh-oh-oh
Oh-oh-oh
