

Blood Red Shoes, Try Harder

Oh my!
Well, look how pass things are becoming
How we move things on
We'll change our hair dye
We'll change our footwear
We'll change ideas to fit what magazines say

Trying so hard
Trying so hard
Trying so hard
To be looked up to

Trying so hard
Trying so hard
Trying so hard
To be looked up to

Oh my!
Well, look how old we're all becoming
What are we to do?
Well don't you worry
Just pay attention
Keep looking up because they'll always be here

Trying so hard
Trying so hard
Trying so hard
To be looked up to

Trying so hard
Trying so hard
Trying so hard
To be looked up to

For some reason you caught my eye
Well maybe I'll wake up and feel okay
For some reason you caught my eye
Well maybe I'll wake up and feel okay

For some reason you caught my eye
Well maybe I'll wake up and feel okay
Cause all the dumb lines that we used last night
Will never make it's wake up and feel okay

For some reason you caught my eye
Well maybe I'll wake up and feel okay
Cause all the dumb lines that we used last night
Will never make it's wake up and feel o...

Trying so hard
Trying so hard
Trying so hard
To be looked up to

Trying so hard
Trying so hard
Trying so hard
To be looked up to

It's not working
It's not working
It's not working
It's not working
