

# Blood Red Throne, The Children Shall Endure

I am the wanderer, i am the lie  
I bring famine, and i kill all life  
I sweep across the land  
I walk the dead earth

The children shall Endure

I am as old as time  
I am of lust and sin  
I am invoked by bloodthirst  
I rule the underworld

The children shall Endure

And to be remembered,  
Silent screams are never heard

I am mystery, i am truth  
I am the tale you wished you never heard

My dark shadow dwell  
in the darkest pits of hell  
I am the propechy of a dying world  
I am vengeance, i am wrath  
I am the seven Death sins  
Come walk my path
