## Bloodbound, Bless The Unholy

The devils heldhound scenting you he's on his way He's gonna hunt you like a prey

You better run before the light will turn to dark

Cause soon you'll hear his evil bark

Before the lightning strikes you

The demon will fall

Bless the unholy

You can feel life is slipping away

Bless the unholy

Close your eyes at the end of the day

Time to pray

The heaven sent cannot protect you from the beast

He's not an exorcist or priest

Condemned in darkness with the sentence on its way

The day of reckoning now pray

Before the lightning strikes you

The demon will call

Bless the unholy

You can feel life is slipping away

Bless the unholy

Close your eyes at the end of the day

Bless the unholy

You can feel life is slipping away

Bless the unholy

Close your eyes at the end of the day

Time to pray
