

# Bloodgood, Soldier Of Peace

I've been a soldier of fortune  
Took whatever I saw  
I came for death and destruction  
I came to break the law  
I was a soldier of fire  
Burned whatever I could  
Then the Lamb overtook me, yah  
Now I battle for good  
Soldier of Peace  
Soldier of Light  
Look out Satan  
'Cause I'm coming to fight!  
I was a soldier of darkness  
I overshadowed the land  
Well I had no time for mercy  
I ruled with an iron hand  
I was a soldier of passion  
Took whatever I could  
Then the Lamb overtook me, yah  
Now I battle for good  
Soldier of Peace  
Soldier of Light  
Look out Satan  
'Cause I'm coming to fight!  
Then I heard the sounds of heaven  
Crashing seas...seemed like thunder!  
I turned my back on the devil  
'Cause Jesus broke my chains  
Now I live for His glory  
Shout whenever I can, yah!  
Soldier of Peace  
Soldier of Light  
Look out Satan  
'Cause I'm coming to fight!  
I'm coming to fight!  
Look out!  
Coming to fight!
