## Bloodgood, Stand In The Light

Does a child cry

Does the world turn around?

Does a fire burn

Is the earth also ground?

This we've learned

But what have we found?

Does a snowflake fall

And in fall does a tree drop it's leaves

Does water freeze?

Does a change take place

In a young man's face

Does he seek to learn

Through truth and grace?

Now he won't get burned

If he seeks the Lord

Oh if you ask for Him

You won't be ignored, no

Stand in the Light

Stand in the Light

Stand in the Light of the Lord (of the Lord!)

Stand in the Light

Stand in the Light

Stand in the Light of the Lord (of the Lord!)

You can stand in the Light

And break the chains of the night

He's got the world in His hands

And He loves who understands

And follows Him

Stand in the Light

Stand in the Light

Stand in the Light of the Lord (of the Lord!)

Stand on the Blood

Stand on the Blood

Stand on the Blood of the Lord (of the Lord!)
