

# Bloodhound Gang, Go Down

Step Back Cause The Bass Is Fuzzin'  
Bloodhound Gang Bangs More Than The Dirty Dozen  
Alley Oop Here Comes The Slam You Know Where I Stand  
I'm Feelin' Like Anthrax Cause You Know I'm The Man  
Yea I Dug Your Dame But All I Did Was Kiss Her  
But I Got To Second Base With Your Mom And Your Sister  
I'll Wipe The Grin Off Your Face Like I Was A Can Of Windex  
I Threw A Right I Threw A Right Was It Live Or Memorex  
Go Down Down Deep Deep In And Out Quick  
Cause I'm Harder Than Chinese Arithmetic  
My Fist Is In Your Face Cause You Stood In My Way  
You Tried To Talk Your Shit And Your Ass Got Paid  
I Get Stupid Like The Mongoloid Corky  
Welcome To McDonald's May I Take Your Order  
Cause I'm Cold Kicken' Lyrics Like My Arm Was On Fire  
Like Pinocchio My Nose Don't Grow Cause I Ain't No Liar  
Go Down Go Down To Get It Up Get It Up  
Go Down Go Down To Get It Up Y'all  
Clap It On Clap It Off Sniff My Exhaust  
Cause I Got More Steps Than Barishnikov  
Like A Pirouette, A Pirouette, A Pair Of Wet Jeans  
You Don't Understand But Your Girl Knows What I Mean  
So I Kicks My Rhymes Kind Of Complex  
A Text Of Intricate Words And Other Spoken Effects  
Like A Preacher On The Mount Teaching Things He Doesn't Follow  
When You Tried To Hit The Brake But Pushed On The Throttle  
Mr. Goody Two Shoes Picture The Scenario  
Your Girl Blew Me As I Blew Your Stereo  
And I Gots More Bass Than A Baseball Diamond  
Don't Put Me On Your Chalkboard Cause I'm Not Down With Simon  
Sonic Boom In Your Room Assume Your Not There  
Booty Licken' Nugget Picken' With Your Dad Downstairs  
Love Is Just A Fallacy I Gots More Force Than Gravity  
I Can Run All Night Like An Energizer Battery  
Go Down Go Down To Get It Up Get It Up  
Go Down Go Down To Get It Up Y'all
