

# bloodsimple, Plunder

Disconnect  
Slowly drift  
Far away  
Low feeling  
No healing  
A heart of stone

And as I plunder  
As I fall astray  
And if I should wonder  
Could you help me find my way

Intercept  
Lonely tears  
Along the way  
No passage  
Here after  
You're on your own

And as I plunder  
As I fall astray  
And if I should wonder  
Could you help me find my way
