

# bloodsimple, Truth (Thicker Than Water)

&lt;  
i wanna wake up with a reason to celebrate  
I wanna wake up before it's too late  
I wanna hear that song on the radio  
Spinning around my head like a halo

As I fade to another place  
where I dream while I'm still awake  
I feel shame as I waste away  
I sip this cheap champagne  
It's just another day

Hey, old man, you used to live for the heroin  
You were a shooting star leaving impressions  
Now you're sitting alone in your rocking chair  
Wishing you could rock it right out of there

As I fade to another place  
Where I dream while I'm still awake  
I feel shame as it waves away  
I sip this cheap champagne  
It's just another day

It's hopeless, devotion, it drags me down and weighs a thousand pounds  
I'm drowning in all these lies how can this be true, I have been denied [x2]  
It's hopeless; I have been denied [x3]  
How can this be true?  
I have been denied, denied
