

# Bloodthorn, Clouds Of Sadness

Lost in enchanted woods  
I can't find the path  
My ancestors so solemnly found  
Lost in darkness  
Afraid without hope  
In the sacred forbidden forest  
Where sad dreams blow through dark trees  
The silence cry out thy name  
Clouds of sadness  
Begin to rain  
I float on the water  
Night is so dark  
Love is gone  
Light is gone  
Come dark  
Come evil  
Come hell
