

Bloody Dead And Sexy, My Secret Gardener

You've got your dreams
Well so have I (x3)
But don't interfere
They might just dissapear
You've got your secrets
So have I (x3)
But don't interfere
They might just dissapear
I've just come into this room
The colours are very strange
Really special patterns on the carpet
Two anagrams on the four corners
A large sofa
There's four men standing there talking
My boyfriend is downstairs
I look back and there's no one in the corridor
You've got your dreams
Well so have I (x2)
You've got your secrets
So have I
But don't interfere
They might just dissapear
The room is very hot
Suddenly I feel my dress is a really old fashioned
I think of turning back
One of the men turns around and looks at me
And smiles, I like him smile
There's a big oil painting on one of the walls
It is dark and I really can't see it
Strange, there are no windows
I think I've seen it before
But I can't remember when
I look at my wrist
I don't have a watch
I wonder what is the time
The room is very hot
The others suddenly stop talking and look at me
I feel I'm invited to join them
(You've got your dreams so have I (x2)
You've got your secrets so have I
But don't interfere
They might just dissapear)
They are very nice
suddenly, I feel guilty
because of my boyfriend downstairs
But I haven't done anything...yet...
Hahaha, this is good.
