

Bloom 06, In Your Eyes

In your eyes,
your eyes
I see the hope is gone
Its in your eyes
Your eyes, your eyes.
In your eyes
Your eyes
I see the fire of war
Its in your eyes
Your eyes,
Its in your eyes.

I feel the emptiness
is filling you
as your handshake
is signing the death list.

I see your human side
is slowly
slipping away
as the soldiers march for money.

Its Scary how
you easily forget
the value of life
of the people that you sacrifice.

In your eyes,
your eyes
I see the hope is gone
Its in your eyes
Your eyes, your eyes.
In your eyes
Your eyes
I see the fire of war
Its in your eyes
Your eyes,
Its in your eyes.

I get a shiver
when I understand
that many lives
will depend on how you throw the dice.

Its Scary how
you easily forget
the value of life
of the people that you sacrifice.

In your eyes,
your eyes
I see the hope is gone
Its in your eyes
Your eyes, your eyes.
In your eyes
Your eyes
I see the fire of war
Its in your eyes
Your eyes,
Its in your eyes.

In your eyes,
your eyes
I see the hope is gone

Its in your eyes
Your eyes, your eyes.
In your eyes
Your eyes
I see the fire of war
Its in your eyes
Your eyes,
Its in your eyes.
