Like somebody said
this is the end my friend
No more fighting for freedom
No more words to spend

I heard that somebody said
ignorance is bliss in the end
the bliss of our dreams my friend
and this is the end

Welcome to the Zoo
Ooh ooh ooh ooh ooh
Zoo ooh ooh
Zoo ooh ooh ooh ooh ooh
Zoo ooh ooh
Zoo ooh ooh
Zoo ooh ooh ooh
Zoo ooh ooh ooh ooh ooh ooh ooh

I hate to say my friend
accept your invisible chains
forget the things that you know
and start from where you end

Now its the time my friend
time to change and understand
therell be a chance for us
therell be a chance for us
therell be a chance for us
therell be a chance for us
Yeah therell be a chance for us
if we start from the end

Welcome to the Zoo
