

# Blue, Best In Me.... Sk8er Gurlz

hm.....

from the moment i met u  
i just know u'll be mine  
u touch my hand and i know that  
it was gonna be our time

i don't ever wanna lose this feeling  
i don't wanna spend a moment apart  
coz u bring out the best in me  
like no one else can do  
that's why i'm by your side  
that's why i love

everyday that i'm here with u  
i know that it's feels right  
so right, so right  
hm.....  
and i just got to be near u  
everyday and every night  
every night....

and u know that we belong together  
it just had to be u and me  
coz u bring out the best in me  
like no one else can do  
that's why i'm by your side  
that's why i love u

oh.....

and u know that we belong together  
it just had to be u and me...  
coz u bring out the best in me  
like no one else can do  
that's why i'm by your side

coz u bring out the best in me  
like no one else can do  
that's why i'm by your side  
that's why i love you  
love u, love u, love u  
baby.....

coz u bring out the best in me  
like no one else can do  
that's why i'm by your side.....  
that's why i love u...
