

# Blue, Bounce

Give give me more, step on the floor  
You're the type of girl that I've been looking for

I don't know much but one thing I know  
You're making it hard to keep it down low  
If you ever wanna come to my show  
V.I.P - Backstage - Front row

Never seen a girl looking so fine  
Get a little vibe and it's about time  
Right beside a diamond you would still shine  
24 K - All day - Let's ride

Rock you all night long  
Till I lose control  
I'll never let you go

[Chorus:]  
Give give me more - step on the floor  
You're the type of girl that I've been looking for  
All the fellas in the house tonight  
Are you gonna bounce bounce with us tonight?

Give give me more - step on the floor  
You're the type of girl that I've been looking for  
Doing it right  
Are you gonna bounce bounce with us tonight?

I don't know much but one thing I know  
If you want to stay I'm not gonna go  
Tell me just a simple yes or a no  
Not maybe, We'll see, Don't know

Not about the things you think I will flash  
Gotta realise you need your own cash  
You don't have to worry bout my past  
Just two girls, Score card, First class

Rock you all night long  
Till I lose control  
I'll never let you go

[Chorus]

Bounce with us

Everybody wants to get down like that  
Down like that, down like that  
Everybody wants to get high like that  
High like that, high like that

Everybody wants to get down like that  
Down like that, down like that  
Everybody wants to get high like that  
High like that, high like that

[Chorus x 2]
