

Blue, Bubblin

I think you're bout it bout it
No man could ever doubt it
You're looking so delicious
Could this be the night that we uuuuh
Get closer just a little
Take it up another level
Look, it's just plain and simple
Could this be night that we uuuuh
Don't fight it, Can't hide it
Let's ride it

Chorus

Uuuu, you got the perfect body
Love the way you're shakin for me
Can we take it upstairs from the lobby
I don't see nothing in
You and me bubblin
How so we get started
How do we get private
Once we get inside
It's gonna be troublin
You and me bubblin
Why we don't get this poppin
Top floor with no disturbing
Room service in the morning
This will be the night that we uuuh
Elevator's waiting open
Don't you think It's time we got in
Can't keep the penthouse waiting
This will be the night that we uuuh
Clock's tickin time's wasting
And you're amazing
This just feels so right

Chorus

How do we get started
How do we get private
Once we get inside
It's gonna be troublin
You and me bubblin
Got a body like woah
Why you waiting over there let's roll
take it all the way to the top floor
and let's get bubblin girl bubblin girl
Got a body like woah
Why you waiting over there let's roll
Take it all the way to the top floor
and let's get bubblin girl bubblin girl

Ooh, woo. Woo ooh

Once we get inside
