

Blue Cheer, Ain't That The Way (Love's Suppose

(Dickie Peterson & Ralph Burns Kellogg)

I want your lovin' and I need it bad
Here's the baddest little woman that I ever had
I just can't help it you've got to be mine
When she comes along, come rain or shine.

Ain't that the way love's supposed to be
We had our out and we didn't plan
Sold your love and I took my stand
A long time baby just can't be wrong
I've got that feeling and I got it strong!

Ain't that the way love's supposed to be
Love for you and me
Ain't that the way love's supposed to be, hey yeah
Ain't that the way love's supposed to be
Both for you and me
Oh alright, ow uh.

Need your lovin' and I need it bad
Baddest little woman that I ever had
I've got to have it and it's got to be real
You got to know just how I feel.

Ain't that the way love's supposed to be
Love for you and me
Ain't that the way love's supposed to be
Love's supposed to be, yeah
Ain't that the way love's supposed to be
Ain't that the way love's supposed to be
For you and me
Love's supposed to be
Ain't that the way love's supposed to be.
