

# Blue Cheer, All Night Long

(Ralph Burns Kellogg)

Ugh!

All I want is just a little bit of lovin'  
Just to ease away my time  
All I want is just a little bit of lovin'  
Baby, won't you please be mine.

We can make it nice, sing my song  
We can make it, baby, all night long.

If you give me just a little bit of lovin'  
I'll tell you what I'm gonna do  
I'm gonna love you till the moon turns black  
I'm gonna love you till the sun turns blue.

We can make it nice, sing my song  
We can make it, baby, all night long.

OH, oh, oh, you know what I want  
OH, oh, oh, OW!

All I want is just a little bit of lovin'  
I've got to have it right away-ay-ay-ay-ay  
All I want is just a little bit of your love  
Got to give it to me every day-ay-ay-ay-ay.

We can make it nice, sing my song  
We can make it, baby, all night long.

All night long  
All night long  
We can make it all night long.
