

Blue Cheer, Love Of A Woman

(Dickie Peterson)

Love of a woman

She's 'sposed to be a very special thing

Love of a woman

She's 'sposed to be a very special thing

Love of a woman

That is 'sposed to be a special thing to me

A very special thing to me

Yeah, yeah, yeah, oh, it's alright

Uh, alright, yeh-yeh-yeh, hm.

Now don't you tell me

The story 'bout a man and a woman

That threw it all away

Now don't you tell me

The story 'bout a man and a woman

That had a way

Please don't you tell me 'bout a man and a woman

That threw their love away

That threw it all away

Yeah, yeh-yeh-yeh (oh, oh) it's alright

I need your love, alright, alright

I need your love everyday, yeh-yeh-yeh.

Love of a woman

She's 'sposed to be a very special thing

Love of a woman

She's 'sposed to be a very special thing

Love of a woman

That is 'sposed to be a special thing to me

A very special thing to me

Yeah, yeah, yeah, oh, it's alright

Cause I need your love everyday

Hey, hey, yeh-yeh-yeh, oh c'mon

Uh, yeh-yeh-yeh, alright, yeah, yeh-yeh

Love of a woman

That is 'sposed to be a special thing to me.
