

Blue Cheer, When Two Spirits Touch

(Dickie Peterson)

Yaayy-ow!

Oooh yeah!

When two spirits touch
When they meet enough
Gotta take the time to let it last
But if you ever do find
If you ain't got the time
You oughta take the time to let it pass
Oh! let it pass!

Believe I'll take my coat
Strap it across my back
Jump on East to become with the night
'Cause baby, it's time.

Believe I'll take my leave
Honey, if you please
Well I jump on East to become with them right
'Cause baby, goodbye.

(Goodbye baby, whoa, ooh yeah, whew, tell you what I'm gonna do baby, sing it Dickie!)

Believe I'll take my coat
Strap it across my back
Jump on East to become with the night
'Cause baby, it's time.

Believe I'll take my leave
Honey, if you please
Well I'll jump on East to become with them right
'Cause baby, goodbye.

(Say goodbye baby, whew!)

When two spirits touch
When they meet enough
Gotta take the time to let it last
But if you ever do find
If you ain't got the time
I hope you take the time to let it pass
I hope you take the time to let it pass
You oughta take the time to let it pass.

(Whooo ha yah, woo-oo ha, yeh, ye-ye yeh! Yeh!)
