

# Blue October, Conversation Via Radio (Do You E

You must be broken  
By a thousand ways of wasting time  
Get to the point  
And off a hundred lines a week  
No need to change my mind  
A cleaner shade of thinking time  
But I seem to act more than I act upon most things.

[Chorus]  
Do you ever wonder  
How hard you hit?  
You broke my thunder  
Do you ever wonder  
How hard you hit?  
You broke my thunder

A scar was sewn  
A drop of blood was saved for making wine  
Still no repent  
On how you crumble when I shake  
A mental jaw was used  
To pry me from this wrecking bond  
The sad detail is all the promises I make.

[Repeat Chorus]

I'm cramped and crawling from under the dead  
I'm sick of living without you in bed  
I've made mistakes that I wrote... That I read...  
But now I just can't seem to be preoccupied  
The heart was tossed with a black lace chain  
With these hands that I write with  
And the ode that I live by...  
I will never be with you.

[Repeat Chorus]

God made this night for me, a silly devil in my talking  
Romantic company for walking. Over and out...Over and out...  
This year is the year I want to be, that silly devil in me talking  
Romantic company for walking. Over and out...Over and out...

[Repeat Chorus]
