Blue October, Fairy Tale

"I havent been quite the same, So sure the story of my life would never change. But in a bright-eyed way, she rinsed out the soap in my eyes, And wrote a song that I'm about to sing.

She's a magnetic girl That I hardly even know. So this is not another love song. Just a list of things that I should know, And everyone should know that:

- 1. You got to take it kind of slowly
- 2. You got to hurry up and make your move
- 3. You got to tell her how youre feeling
- 4. You got to be the perfect gentleman.

When you shake the walls, you got to make 'em bend, yeah. You got to show her that She's the balance beam And I keep falling all around her fairy tale. (her fairy tale)

We took a walk in the rain.
I suggested, she confess:
"There's a heart nearby to cast the shame."

Stay cool.
But I'm giddy like a school boy.
You got to handle with care:
This is not a toy.

Then gradually we touched. And though our clothes were wet, we sat and smiled. I never thought I'd smile so much The first kiss always says the most.
