

# Blue October, Should Be Loved

Stop staring, youre the reason I feel so unhappy all the time  
Ive given you everything I know how  
Your standing on the top of my shoe  
keeping me from gaining ground  
Im sorry if you feel like I let you down  
Can you tell me what have I done so wrong  
To you  
Tell me what am I supposed to do  
I should be loved by you,  
That I know is true  
But I cant breathe when youre around!  
I should be held at night  
That I know is right  
But I cant breathe when youre around!  
Youre too scared,  
Scared of all of it I get that feeling Im talking to the wall  
Can you hear me at all  
My world was shaking my mind was quaking, my heart kept breaking  
I threw it against the wall  
Can anyone feel me at all  
Can you tell me what have I done so wrong... to you  
Tell me what am I supposed to do  
I got a feeling, youre falling out of love with me  
Tell me who am I supposed to be  
I should be loved by you  
That I know is true  
I cant breathe when youre around!  
I should be held at night  
That I know is right  
I cant breathe when youre around!!  
Look I cant breath!
