

Blue October, Should Be Loved

Stop staring, youre the reason I feel so unhappy all the time
Ive given you everything I know how
Your standing on the top of my shoe
keeping me from gaining ground
Im sorry if you feel like I let you down
Can you tell me what have I done so wrong
To you
Tell me what am I supposed to do
I should be loved by you,
That I know is true
But I cant breathe when youre around!
I should be held at night
That I know is right
But I cant breathe when youre around!
Youre too scared,
Scared of all of it I get that feeling Im talking to the wall
Can you hear me at all
My world was shaking my mind was quaking, my heart kept breaking
I threw it against the wall
Can anyone feel me at all
Can you tell me what have I done so wrong... to you
Tell me what am I supposed to do
I got a feeling, youre falling out of love with me
Tell me who am I supposed to be
I should be loved by you
That I know is true
I cant breathe when youre around!
I should be held at night
That I know is right
I cant breathe when youre around!!
Look I cant breath!
