

# Blue Rodeo, After The Rain

Oh, if I had my way I would never go back  
With my back to the wall, I just let myself fall  
Watch the daytimes turn black  
But now and again I find you cross my mind

Oh, if I was a train I would never slow down  
My head in the sky and world goin' by every nowhere town  
As I write one more letter to you  
No, I can't change the things I do, ohhhh

One day when you discover just why I ran  
ran away from you, lover  
Well I know i'm to blame  
I feel so ashamed  
Called out your name  
Ohhhh, after the rain

Well, what do you want me to do?  
I've thrown away everything for you  
Well, I've wasted my dreams  
Each day it seems  
Losing my way back to you

It's time for a change  
What else could i do?  
With the clock ticking time  
Better make up my mind  
Is it me or is it you?  
Yeah tonight as i'm losing control  
I will drink to the queen of my soul

One day when it is discovered just why i ran, ran away  
ran away from you, lover  
I know i'm to blame  
I feel so ashamed  
Called out your name  
Ohhhh, after the rain...
