

# Blue Rodeo, Flying

I'm not saying I'm angry now  
I'm just wondering why  
you changed your mind  
happens all the time  
How does it feel to have a winning hand  
from a first-rate failure to the  
leader in the chosen land  
people never understand  
If the world keeps spinning round  
it'll be alright  
you said if you were on your own  
you could really fly  
Fly  
while you're up there turn around  
and touch the sky  
I guess the point of getting out  
is never saying goodbye  
You learn your lessons in the  
hardest time  
run out of patience  
lean on the bold face lie  
people never wonder why  
I feel too tired to scream and shout  
left in the sun  
'til the colours all fade out  
If the world keeps spinning round  
it'll be alright  
you left us long ago  
so you could really fly
