

Blue Rodeo, Side Of The Road

I pulled over to the side of the road
I was feeling kind of sad
I was feeling kind of blue
I walked across this farmer's field
and I looked up to the blue-white sky
and your eyes they were in my mind
and I just want to hold on to you
yeah your eyes they were in my mind
and I just want to hold on to you
I started singing this song in my head
just because the sun was high shining bright
and I could smell the fresh cut grass
as I looked up to the blue-white sky
and your eyes they were in my mind
and I just want to hold on to you
yeah your eyes they were in my mind
and I just want to hold on to you
I'm gonna hold on to you
I walked across this farmer's field
and I looked up into the blue-white sky
I started singing this song in my head
just because the sun was high
and your eyes they were in my mind
and I just want to hold on to you
yeah your eyes they were in my mind
and I just want to hold on to you
I'm gonna hold on to you
I'm gonna hold on to you
to you
