

Blue, Stand Up As People (By Blue Lead-Singer)

All I hear is voices in the crowd
Though they only whisper though they frown
People saying oh it's such a shame
Still they only look to pass the blame

If we can find a way to work things out
The only way to start is to start now

Chorus
When are we gonna stand up as people
Realise that as people we're all equal
We don't want no world war sequel
For the love of god think of the people

Children always learn by what they see
So we gotta practice what we preach
Don't you know it is the game of life
That we Abuse when we chose to fight

If we can find a way to work things out
The only way to start is to start now

Chorus
When are we gonna stand up as people
Realise that as people we're all equal
We don't want no world war sequel
For the love of god think of the people
When are we gonna stand up as people
Realise that as people we're all equal
We don't want no world war sequel
For the love of god think of the people

I pray before I sleep at night
That I wake to find a clear blue sky

Chorus
When are we gonna stand up as people
Realise that as people we're all equal
We don't want no world war sequel
For the love of god think of the people
When are we gonna stand up as people
Realise that as people we're all equal
We don't want no world war sequel
For the love of god think of the people
