

# Blue System, Freedom

Freedom, freedom  
I'll believe in you  
More and more I do  
Freedom freedom  
Oh I miss you so  
Oh baby please don't go

Freedom gimme gimme freedom  
Every night and every day  
I love you more than I can say  
Freedom gimme gimme freedom  
Another night - another day  
I love you more than I can say  
Oh more more - you want more  
Oh, it's you - my heart beats for  
Oho, I'll never let you go  
Don't stop, do it again  
Love is like burning flame  
Oho, I'll never let you go  
Oh I know it hurts me  
But I want you so much, my baby  
Oh I know it hurts me  
But I miss your touch  
Oh, fun fun - all day night  
Here is love to satisfy  
Oho, I'll never let you go  
One - two baby it's true  
I will make good love to you  
Oho, I'll never let you go  
Oh I know it hurts me  
But I want you so much, my baby  
Oh I know it hurts me  
But I miss your touch
