

# Blue System, Gangster Love

Voulez-vous  
Oh, she said voulez-vous  
She's a lady too  
A broken heart babe, it's late  
Voulez-vous  
I said oh mon amour  
A midnight rendez-vous  
Out of side  
Out of mind  
Out of dreams  
Oh, you're killing me with gangster love  
You're giving me a hang-over  
I'm feeling like a broken toy  
Oh lie, oh lie a lonely boy  
You couldn't been without gangster love  
I'm shouting out it's far enough  
You're breaking me to dead for joy  
Oh lie, oh lie a broken boy

Voulez-vous  
I save my love for you  
Crazy like you do  
Smoke without fire, lady  
Voulez-vous  
An endless heart to do  
Oh, I'm missing you  
Out of side  
Out of mind  
Out of dreams
