

Blue System, I Like Your Sexy Body

Hey little girl, I wanna tell you a secret

Mm - I like your sexy body
Mm - I like to talk to you
Mm - Come hear that hurdy gurdy
Mm - And all my dreams come true

Hey sugar I'll tell you a secret

Hey little girl - I couldn't live without your love
It's a wonderful world but this night ain't big enough
Oh, I'm not a Casanova and I'll change my rules for you
I'll do, it's true, just for you

Mm - I like your sexy body
Mm - I like to talk to you
Mm - Come hear that hurdy gurdy
Mm - And all my dreams come true
ABC of love - is so free, oh baby
Here and now and in my fantasy

Hey little girl - what you see is what you get
It's a wonderful world
But your love will drive me mad
There's a hole in my heart babe
And the reason babe are you
I'll do the best for you

Baby, tell me was it love I get
Oh, you save my heart again
No matter what you do no matter what you are
You're my only shining star
