

Blue System, I Love The Way You Are

Here I stand - oh, I can't live without you babe
From the first step I could walk - I walked to you
Here I stand - and I can not breath without you baby
From the moment I could talk - talked about you
Oh, why can't we live together ?
Baby, why you promised love ?

I love the way you are - I love the way you smile
And deep down in my heart - you're driving me so wild
I love the way you are - I love the way you smile
You're always in my heart - oh, I can't wait a while
Here I stand - somewhere between love and tomorrow
I can build a bridge to you - if you love me
Here I stand - somewhere between love and my sorrow
Oh, I laughing through my tears - baby I swear
Why can't we live together ?
Baby, why - why you leave me girl ?
I love the way you are - I love the way you smile
And deep down in my heart - you're driving me so wild
I love the way you are - I love the way you smile
You're always in my heart - oh, I can't wait a while
Stay with me tonight - stay with me tonight
Baby, I'll never let you go
Stay with me tonight - stay with me tonight
Baby, that's the only thing I know
