## Blue System, I Miss You

I miss, I miss, I miss you I miss you night and day I miss, I miss, I miss you Come back - heaven stay I miss, I miss you I miss you night and day I miss, I miss, I miss you Come back - heaven stay Baby, baby believe me You're talking in your sleep I promised you believe me Our secrets I'll keep Baby, I swear you - I send an S.O.S to you And if you really want me - I'll never make you blue And if you promise - it's forever Oh, baby - can't we live together ? I miss, I miss, I miss you I miss you night and day I miss, I miss, I miss you Come back - heaven stay And when I die - I die for you And when I cry - I cry just for you Every little thing - every little thing I do for you (Babe, I miss you) With or without you - with or without you

Baby, baby believe me I call you on the phone I promised you - believe me Oh babe, I'm so alone Oh, baby let me hold you There's something going on You know that I have told you - heaven is for everyone And if you promise - it's forever Baby, can't we live together ?
