

Blue System, Is It A Shame

I said that I'm sorry
We can't build a fire in the rain
Don't throw away a miracle
Oh, my heart is like a flame
I sail on the rainbow
How deep is your love - you mean to me
Pillows on the frozen heart
Sad words on my destiny
You're a victim - a victim of love
Is it a shame to love me ?
Baby, take another guy - leave me just alone
Is it a shame ? - oh tell me
Baby, that's the reason why I can take your home
Read my lips and they will tell you
I'm walking win - I never feel blue
Read my lips and see what love can do
Oh,

Oh, you have to give all have to go
Don't change the colour of your hair
You deceive a broken soul
My heart will be broken
My world is a dream - dream with you
Will you ever change your mind
Baby, then you are a fool
You're a victim - a victim of love
