Blue System, Lady Unforgetable

Oh, it's five o'clock and I cannot sleep You were in New York and my heart is weak I'm watching you on this photograph I'm the biggest fool and I hear your laugh Lady, careless memory Lady, be my guarantee What a difference it makes Alone again Lady I call your name Oh, lady unforgettable, hold on me Oh, lady unforgettable, can't you see Oh, I'm losing my heart And I'm losing my mind But a lonely heart, it can't survive Oh, lady unforgettable, talk to me Oh, lady unforgettable, can't you see I got what I want but I lost what I had It's a crazy world when a love goes bad In this bed of fire I feel loneliness And my lost desire of your sweet caress I'm too proud to beg and too weak to cry I'm alone again It's my last goodbye Lady, it's emergency Lady, oh, please come back to me Emotion of fire is burning inside Lady, don't lose your pride
