

Blue System, On And On

On and on and on and on
On and on and on and on
On and on and on and on
I miss you miss you
On and on and on and on
I miss you miss you

Baby I protect you
I never will forget you
But I owe you nothing
Baby we're united, baby don't divide it
And I owe you nothing
Oh, it's more than I can bear
And it's more my heart will swear
But I'll always miss you girl
Oh, I'll always need you girl
Baby' we're together till the end of never
But I owe you nothing
Baby, I will be waiting never hesitating
But I owe you nothing
Oh, it's more than I can bear
And it's more my heart will swear
But I'll always miss you girl
Oh, I'll always need you girl
