

# Blue System, Romeo And Juliet

I'm not your Juliet, and you're not Romeo  
But I will love you baby, time will show

I'll give you everything, and that's no compromise  
See my broken wings to your alibies  
Crying 90 tears, no sacrifice  
Broken souvenirs in paradise  
Oh, I never promised you love  
Oh, when my heart is not enough  
Oh, it's like an ocean of love to me

I'm not your Romeo and you're not Juliet  
After the curtain falls, I'll drive you mad  
Oh, baby heaven, just sweet heaven has sent you  
I'm not your Romeo and you're not Juliet  
But I will love you, love you, love you, drive you mad  
Oh, baby there will never be another you

Love on the telephone, it's killing me  
I'll sail my ship alone, old memory  
Back to Babylon, in my fantasy  
Gonna lock my heart and losing the key  
Oh, I never promised you love  
Oh, when my heart is not enough  
Oh, it's like an ocean of love to me
