

Blue System, Sorry Little Sarah (New York Dance

Little Sarah, I'm sorry
Well little Sarah - I'm sorry
I never meant to hurt you girl
For ever little thing I did - It was just to get you on the move
Little Sarah, I know you know - I'm sorry, I'm sorry
I don't really want you to be misunderstood, misunderstood
Sorry Sarah
Oh you're crying like a child that lost his toy
In the shadows of your love
Do you think these tears I cry are tears of joy ?
'Cause my tears are not enough
I wanna kiss you, kiss you
I wanna miss you, miss you
I never want to lose your heart
You've got the best of me
Come take the rest of me, my love
Sorry little Sarah, Sarah
I'm looking for a girl like you
Sorry little Sarah, Sarah
Dreams come true
Baby, I'm waiting for your call
I'm starring at the wall
Sorry little Sarah
Oh, I lose my self control
Don't you want me 'cause I'm the losing guy
Oh, don't take your love to town
Don't you see the rainbow is fading on the sky
Oh, don't let it get you down
I wanna kiss you, kiss you
I never hurt you, hurt you
And it's too late to say goodbye
No one can love you more
What are you waiting for my love
Little Sarah, you know what I'm talking about
Getting next to you girl
It's my I can never never really let you go
'Cause you really on the move girl, I love you
